*The Preacher*

Check the gifts you give or receive. Do not give gifts of adultery, idolatry, wickedness, or witchcraft. (Witches have been shown to give 'gift' potions which have often 'spoken' and initiated their unsuspecting recipients into witchcraft; a situation which is common knowledge in several

cultures.) Do not think that your money does not get to God unless you put it into the tithe box or the offering bowl. It is a greatly prosperous business to invest in the poor and collect your payments from.
